Professional Service Procurement Overview

- Each Department will have spreadsheet templates for role assignment
- Demo spreadsheet usage

Shopping Cart Commodity Approvals

Cost Center Approver

1st Level Cost Center Approver

Required for all transactions
- Each Cost Center is designated ONLY one Approver
- Approver can be designated to more than one Cost Center

Fiscal Approver

2nd Level Fiscal Approver
- Optional based on Agency requirement
- One approver per plant
- Agency defines the dollar threshold

Optional approvers as required per Agency

Commodity Approver

3rd Level Commodity Approver
- Optional based on Agency requirement
- One approver per plant/commodity combination
- Agency defines dollar threshold per combination

Ad Hoc Approvers: In addition to the required approvals listed here, the user may add more approvers at the time of Shopping Cart creation.

Shopping Cart Professional Service Approvals

Cost Center Approver

1st Level Cost Center approver

Required for all transactions

- Each Cost Center is designated ONLY one Approver
- Approver can be designated to more than one Cost Center

Fiscal Approver

2nd Level Fiscal Approver

Required for LaGov Services

- One approver per plant

Signature Authority

3rd Level Signature Authority

Required for LaGov Services

- One approver per plant

Ad Hoc Approvers: In addition to the required approvals listed here, the user may add more approvers at the time of Shopping Cart creation.

Purchase Order Commodity Approvals

This commodity procurement scenario does not include the RFx and Contract.

Agency PO Approver

Agency PO Approver

Optional if the PO value is greater than $5,000 (This amount is taken from Section 4: A. of the Executive Order No. BJ 2010-16 - Small Purchase Procedures) and the PO is not created from an RFx Response, Catalog or Contract

- One approver per plant

OSP Approver

OSP Approver

Required if the PO Value is greater than Agency DPA and the PO is not created from an RFx Response, Catalog or Contract

- Approver determined by Product Category responsibility

*Will be provided by OSP. Agencies will not provide.

When the commodity procurement scenario does not start with a Shopping Cart, the Cost Center approver will be required in addition to those listed here.

Purchase Order Professional Service Approvals

OSP – Professional Contracts Approver

OSP – Professional Contracts Approver

Required if the PO references an OSP – Professional Contracts Section relevant LaGov Service Type and exceeds the Agency's DPA

Purchase Orders relevant to the OSP – Professional Contracts section require that the process starts with a Shopping Cart.
